The Waterford Stanley Wood Cook Stove

A much-loved centerpiece of Irish country kitchens for nearly 100 years, the Waterford Stanley cook stove of today combines classic charm with the benefits of cast iron cooking and home heating.

The Waterford Stanley performs at the top of its class with primary and secondary combustion systems, controlled combustion firebox and long smoke path for high heat retention. And, its large firebox holds enough wood to heat a home for several hours.

Built-in thermometer and precision draft spin wheel let you monitor and control temperature.

Additional accessories include side shelves to increase workspace and an overhead warming oven to heat dishware or keep baked goods warm.
